

# ST. JUSTIN MARTYR CATHOLIC COMMUNITY

Diocese of Galveston Houston

Lensec  
1800 Bering Drive, Suite 751  
Houston, Texas 77057

November 1, 2005

Mr. Larry McClelland

Dear Larry,

The Parishioners and Staff of St. Justin Martyr Catholic Community would like to express their appreciation for the installation and configuration of your Lensec Video Surveillance equipment at our church this year. The professional manner of the design, configuration, and implementation of the equipment was outstanding. All anticipated goals have been met or exceeded by the installed system.

St. Justin would also like to thank you for your generous donation of much of the hardware involved and all the labor associated with the project.

The equipment so far has been instrumental in multiple criminal investigations with recent break-ins to the church aiding police in the investigative processes to apprehend the guilty partys.

Once again, thank you Larry and your entire organization for your aid in this project to help our St. Justin Martyr Catholic Community environment to be more secure.

Fr. Tom Rafferty  
Pastor  
St. Justin Martyr Catholic Community
